“这里最宜居”
“THE MOST LIVABLE PLACE”

Part1

“东方瑞士” 青岛
“Switzerland of the East” Qingdao

国家沿海重要中心城市
Important Coastal Central City of China

青岛依山傍海，风景秀丽，红瓦绿树，碧海蓝天。胶州湾海岸线蜿蜒曲折，“万国建筑”风格迥异，八大关建筑群荣膺“中国最美城区”称号。崂山素以“海上名山第一”和“千年道教名山”著称。青岛山、海、城融为一体，是2008年奥运会和残奥会帆船比赛举办地，被联合国评为最适宜人类居住的城市之一，青岛海湾被评为“世界最美海湾”，每年接待游客突破1亿人次。

By the mountain and near the sea, Qingdao is a place with beautiful scenery, red tiles and green trees, blue sea and sky. The coastline of Jiaozhou Bay is winding and zigzagging, and the "architectures of different nations" have different styles. Eight Great Passes architectural complex has won the title of "China's Most Beautiful Urban Area". Laoshan Mountain is known as "No.1 famous mountain on the sea" and "a well-known Taoist mountain for thousands of years". With the integration of mountain, sea and city, and as the host city of sailing race of 2008 Olympics and Paralympics, Qingdao is rated as one of the most suitable cities for human habitation by the United Nations. Qingdao Bay is rated as "the most beautiful bay in the world", which receives more than 100 million tourists every year.

投资青岛就是投资国家战略

INVESTING IN QINGDAO MEANS INVESTING IN A NATIONAL STRATEGY

“办好一次会，搞活一座城”。2018年上合组织青岛峰会召开，在国家“一带一路”倡议中，青岛被确定为新亚欧大陆桥经济走廊主要节点城市和海上合作战略支点，打造面向韩日、辐射东南亚、路连中亚欧的“一带一路”综合枢纽城市。

2019年中国（山东）自由贸易试验区青岛片区正式挂牌，全国各地越来越多的消费者将陆续收到发自青岛的进口商品。

在新时代扩大高水平开放的国家战略中，青岛全力打造长江以北地区国家纵深开放的新的战略支点，正在加快建设开放、现代、活力、时尚的国际大都市。

多个国家战略因此在青岛叠加，这座城市的开放包容度、全球竞争力进一步提升。作为中国首批沿海开放城市，目前青岛已与全球 216 个国家和地区有贸易往来，2100 多家外国地方政府和海外企业在青岛常设办事机构，德国大众、空客集团、大陆集团、西门子、永旺、住友、高盛、马士基、卡特彼勒、ABB、杜邦、日立、普华永道、渣打等累计160家世界500强企业青投资设立了309个项目，成为国内世界500强企业的重要集聚地、外商眼里最佳投资目的地之一。

"Holding a successful convention means to enliven a city." In 2018, SOC Qingdao Summit was held, and in the national initiative of "One belt, One road", Qingdao is identified as the strategic node city of the New Eurasian Land Bridge Economic Corridor and the strategic support for maritime cooperation, which is to be built as a comprehensive hub city facing Korea, Japan, radiating Southeast Asia, and road-connecting "One belt, One road" cities of Asia and Europe.

With the official establishment of Qingdao Area of China (Shandong) Pilot Free Trade Zone in 2019, and more and more consumers across the country will receive imports from Qingdao.

In the national strategy of expanding high-level opening-up in the new era, Qingdao is making every effort to build a new important strategic stronghold for the national in-depth opening-up in the north of the Yangtze River, and is speeding up the construction of an open, modern, dynamic and fashionable international metropolis.

As a consequence, multiple national strategies are superimposed in Qingdao, which further improves the openness, inclusiveness and global competitiveness of the city. As one of the first batch of coastal open cities in China, Qingdao has trade relations with 216 countries and regions in the world, where more than 2100 foreign governments and overseas enterprises have established permanent offices. 160 of the world's top 500 enterprises, including Volkswagen, Airbus Group, Continental Group, Siemens, AEON, Sumitomo, Goldman Sachs, Maersk, Caterpillar, ABB, DuPont, Hitachi, Price Water House Coopers, Standard Chartered, have invested and established 309 projects in Qingdao, which has become an important aggregation place of the world's top 500 enterprises in China and one of the best investment destinations in the eyes of foreign investors.

CITY OF VITALITY, CAPITAL OF BRANDS

正像中国中央电视台对青岛评价的那样:这是一个随时都能感受品牌力量的城市。这里诞生的品牌,已经影响了中国,正在影响世界。

Just as CCTV commented on Qingdao, it is a city that one can feel the power of the brand at any time. The brands born here have already influenced China and are now influencing the world.

“一带一路”主要节点城市
Main Node City of “One Belt, One Road”

Part2

“创新高地” 青岛高新区

"Innovation Highland" Qingdao National High-tech Industrial Development Zone

山东半岛国家自主创新示范区

National Independent Innovation Demonstration Zone of Shandong Peninsula

国家“双创”示范基地

National Demonstration Base of "Mass Entrepreneurship and Innovation"

国家智慧城市试点
National Smart City Pilot Project

国家级生态工业示范园区
National-level Ecological Industrial Demonstration Park

国家首个生态文明先行示范区
The first Demonstration Area of Ecological Civilization in China

中国最具投资潜力的经济园区之一
Economic Park with the Most Investment Potential in China

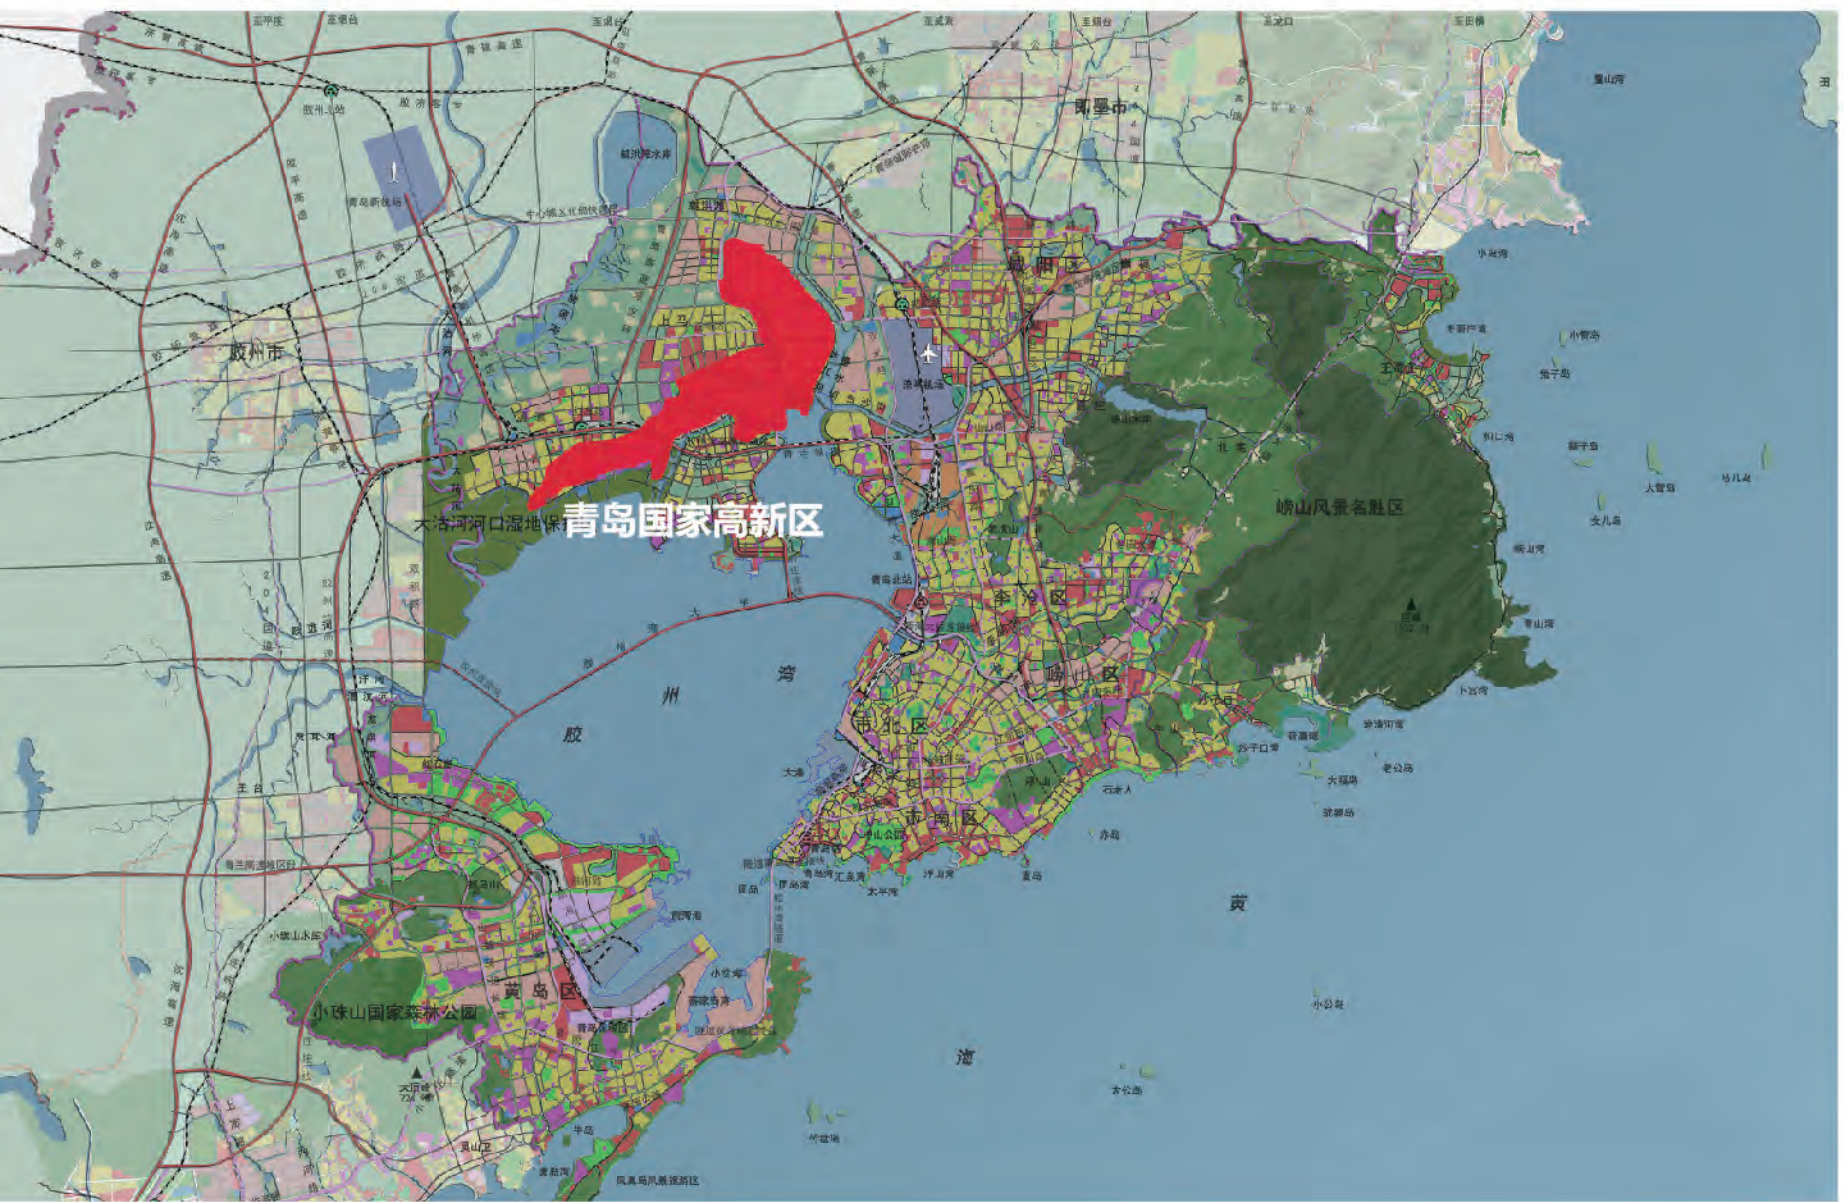

青岛高新技术产业开发区是1992年经国务院批准设立的国家级高新区。经过20多年的发展形成“一区七园一带”的发展格局，胶州湾北部主园区及其拓展区陆地面积196.5平方公里。

Qingdao National High-tech Industrial Development Zone is a national high-tech zone approved by the State Council in 1992. After more than 20 years of development, the development pattern of "one district, seven parks and one belt" has been formed. The land area of the main park and its expansion area in the north of Jiaozhou Bay is 196.5 square kilometers.

这里是青岛的未来
Here is the future of Qingdao

位居中心的青岛高新区

QINGDAO NATIONAL HIGH-TECH INDUSTRIAL
DEVELOPMENT ZONE STANDING IN THE CENTER

“落子”布局 青岛中心

放眼全球，东京、纽约、旧金山、墨尔本等是世界公认的湾区城市，核心城区皆位于湾底。

青岛高新区位于胶州湾湾底、全市地理几何中心，是大青岛都市区的空间中枢、交通枢纽，也是青岛市重点建设的北岸中心城区。青岛市民健身中心、健康中心、国际会展中心、青岛中学等十几个市级重点公共服务项目，以及交错密集的大交通网完善配套，在未来大青岛湾区城市的塑造中处于支撑地位。

“落子”布局，就要来中心。

Overall Arrangement in Qingdao Center

Viewing Globally, Tokyo, New York, San Francisco, Melbourne, etc. are recognized as Bay Area cities in the world, and the core urban areas are all located at the bottom of the bay.

Qingdao National High-tech Industrial Development Zone is located at the bottom of Jiaozhou Bay and the geographical geometric center of the whole city, which is the spatial center and transportation hub of Qingdao metropolitan area, as well as the key urban area on the north bank of Qingdao. Qingdao Civic Fitness Center, Health Center, International Convention and Exhibition Center, Qingdao High School and other municipal key public service projects, together with the interlaced and dense transportation network, are holding up to shapethe city of the greater Qingdao Bay Area in the future.

The success of overall arrangement lies in coming to the center.

往来便捷的青岛高新区

QINGDAO NATIONAL HIGH-TECH INDUSTRIAL DEVELOPMENT ZONE WITH CONVENIENT COMMUNICATION

这里距胶东国际机场10公里。青岛国际机场开通国际国内航线近300条，胶东国际机场启用后将成为面向日韩的区域性国际门户枢纽机场，旅客年吞吐量将达3500 万人次。

这里距离青岛港各港区约30分钟车程。作为太平洋西海岸重要的国际贸易口岸和海上运输枢纽，青岛港稳居世界第七大港。

这里密布的高铁、地铁、高速公路形成四通八达的陆港交通网络，连接北京、上海、广州、深圳、海口、成都、西安、乌鲁木齐、呼和浩特等地。济青高铁红岛枢纽站启用后，1小时畅达济南，3小时直通京沪，让这里成为山东半岛最重要的综合交通枢纽。

青岛跨海大桥将高新区与老城区、西海岸新区的车程缩短至半小时以内。

It is 10 kilometers away from Jiaodong International Airport, which has opened nearly 300 international and domestic routes. After the opening, Jiaodong International Airport will become a regional international central airport facing Japan and South Korea, with an annual passenger throughput of 35 million.

It is about 30 minutes' drive from Qingdao Port. As an important international trade port and maritime transport hub on the west coast of the Pacific Ocean, Qingdao Port ranks the seventh largest port in the world.

Here densely distributed high-speed railways, subways, and highways form a land-port transportation network extending in all directions. Connecting Beijing, Shanghai, Guangzhou, Shenzhen, Haikou, Chengdu, Xi'an, Urumchi, Hohhot and other places. After the opening of Hongdao Junction Station of Jinan-Qingdao High-speed Railway, passengers can reach Jinan in 1 hour and Beijing and Shanghai in 3 hours, making it the most important comprehensive transportation hub in Shandong Peninsula.

Qingdao Sea-crossing Bridge will shorten the driving distance between Qingdao National High-tech Industrial Development Zone and old urban area and West Coast New Area to less than half an hour.

创新引领的青岛高新区

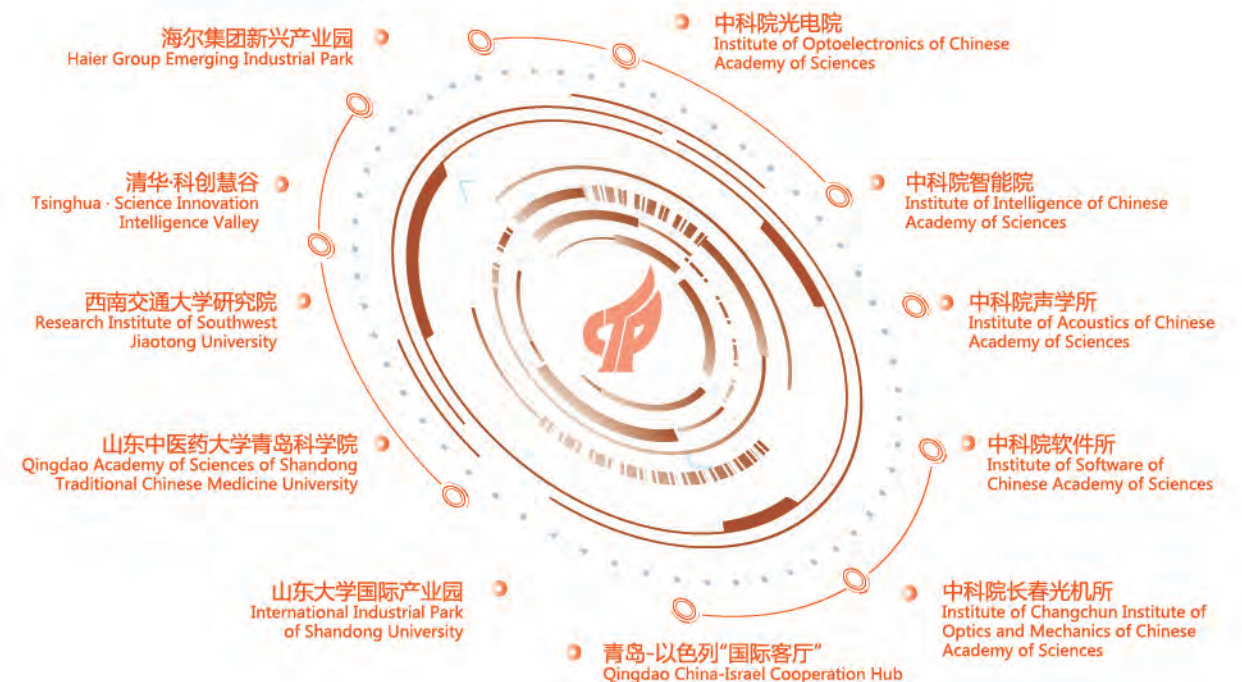

QINGDAO NATIONAL HIGH-TECH INDUSTRIAL DEVELOPMENT ZONE LED BY INNOVATION

青岛院校林立，才智云集，驻有康复大学、中国海洋大学、中国石油大学、山东大学（青岛）、山东中医药大学等50多所高校，是全国唯一的国家创新型城市和技术创新工程“双试点”城市。

高新区作为青岛“人才特区”，已累计引进院士30多名、各类高层次人才5000余人，建有中国青岛留学人员创业园、青岛蓝色人才港，是国家创新人才培养示范基地。

中科院、清华大学、北京大学等科研院所、高校、海外、企业创新平台在这里集聚，其中“国字号”就达16个。实施的“千万平方米”产业载体工程已建成有高质量产业载体35个，区内被认定的国家级孵化器、众创空间达16家，投入使用孵化器面积突破220万平米，构筑了“众创空间-孵化器-加速器-产业园区”科技孵化链条，集聚孵化创新创业项目2300余家。入区企业拥有充足的发展空间和创业环境。

“海阔凭鱼跃，天高任鸟飞”。高新区也为各类人才提供最高1亿元的创业扶持，人才公寓、子女入学保障，工作生活补贴、人力资源服务等“保姆式”全方位保障。目前规划建设租售型人才公寓157万平方米，保障引进人才住房无忧。

Qingdao is the sole national innovation-oriented city and "double pilot" city for technological innovation projects, which is home to more than 50 universities, including Rehabilitation University, Ocean University of China, China University of Petroleum, Shandong University (Qingdao) and Shandong Traditional Chinese Medicine University, and with a great number of talents and intellectuals gathered.

As a "special zone for talents" in Qingdao, Qingdao National High-tech Industrial Development Zone has introduced more than 30 academicians and more than 5000 high-level talents of various types, which has built China Qingdao Overseas Students Pioneer Park and Qingdao Blue Talent Port, and is the National-level Innovation Talent Training Demonstration Base.

Chinese Academy of Sciences, Tsinghua University, Peking University and other scientific research institutes, universities, overseas and enterprise innovation platforms gather here, including 16 "national-level titles". The "ten-million-square-meter" industrial carrier project has built 35 high-quality industrial carriers, 16 national-level incubators and maker spaces have been identified in the zone, and the area of incubators put into use has exceeded 2.2 million square meters. The science and technology incubation chain of "maker space-incubator-accelerator-industrial park" has been built, and more than 2300 innovation and entrepreneurship projects have been gathered and incubated. Enterprises in the zone have sufficient development space and entrepreneurial environment.

"The sky is unlimited for birds to fly at ease; as the ocean is boundless for fish to leap at will." Qingdao National High-tech Industrial Development Zone also provides all kinds of talents with entrepreneurship support of up to 100 million Yuan, talent apartments, children's school enrollment security, work and life subsidies, human resources services and other "nanny-style" all-round protection. At present, 1.57 million square meters of rent and sale talent apartments are planned to be built so as to ensure the housing of the introduced talents.

产业集群的青岛高新区

QINGDAO NATIONAL HIGH-TECH INDUSTRIAL DEVELOPMENT
ZONE OF INDUSTRIAL CLUSTER

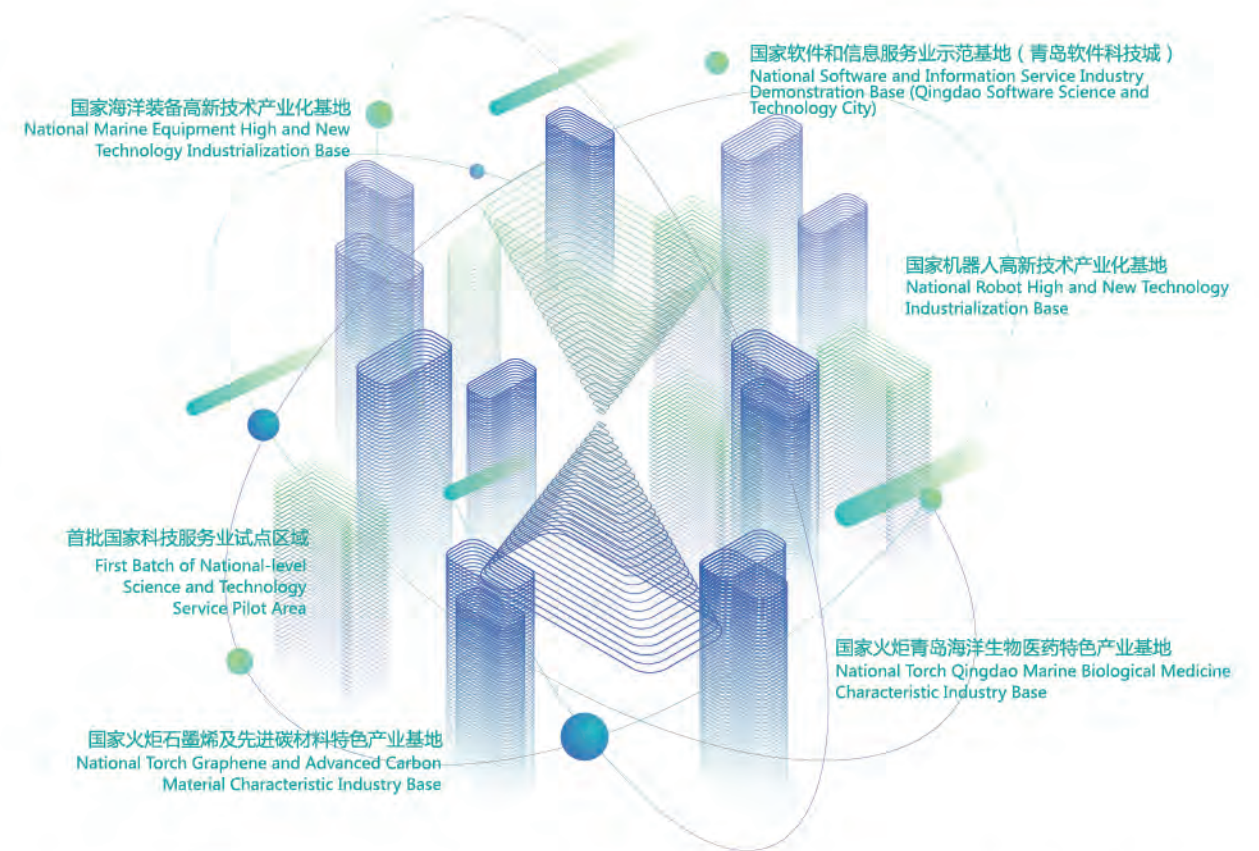

这里是投资兴业的沃土。作为青岛市重点打造的创新创业高地，青岛高新区致力于打造新一代信息技术、生物医药、人工智能+高端装备制造、现代服务业等“3+1”主导产业集群。核心区2008年启动建设以来，累计引进腾讯、华为等项目2000余个、总投资4000多亿元，获批国家级产

业基地6个，机器人、新一代信息技术、生物医药等成为这里金光闪闪的“招牌”。目前园区已集聚了华为青岛基地、腾讯双创小镇、百度智创基地、瑞典ABB、德国库卡、新松、博世、艾地沃兹、毕勤、海克斯康、迪沙药业等一大批世界500强企业和国内龙头项目。

中国最具投资潜力经济园区

China's most potential economic Park

This is a fertile ground for investment and development. As a key innovation and entrepreneurship highland of Qingdao, Qingdao National High-tech Industrial Development Zone is committed to building a new generation of “3 + 1” leading industrial clusters, such as new generation information technology, medical, artificial intelligence + high-end equipment manufacturing, and modern service industry. Since the construction of the core area started in 2008, it has introduced more than 2000 projects such as Tencent and Huawei, with a total investment of more than 400 billion Yuan, and has been approved with 6 types of national industrial bases, and robots, new generation information technology, biological medicine, etc. have become the glittering “signboards” here. At present, the park has gathered a large number of world top 500 enterprises and domestic leading projects, such as Huawei Qingdao Base, Tencent Innovation and Entrepreneurship Town, Baidu Wisdom Innovation Base, ABB of Sweden, KUKA of Germany, SIASUN, Bosch, Edwards, Beecham, Hexagon, Disha pharmaceutical, etc.

链接全球的青岛高新区

QINGDAO NATIONAL HIGH-TECH INDUSTRIAL
DEVELOPMENT ZONE LINKING THE WORLD

高新区聚力打造汇聚全球高端创新要素的“强磁场”，目前已与美国、英国、德国、法国、以色列、日本、韩国及上合组织国家等建立了广泛的项目合作或派驻了办事机构。

其中，“青岛以色列国际客厅”是青岛市重点打造的一体化国际合作平台，涵盖产品技术展示、产品技术交易、文化教育交流、技术创新孵化、科技金融服务五大功能；

欧盟项目创新中心（青岛）是中欧双边共同支持搭建的、欧盟目前在中国唯一的项目创新中心，主要开展中欧科技、贸易、投资促进等服务；欧洲企业网中国北部中心是欧盟创立的旨在为中小企业提供技术创新、成果转化、经贸支持等服务的标志性机构。

青岛高新区发展速度强劲。数据显示，启动建设10年间这里工业总产值年均增长43.5%，一般公共预算收入年均增长63%，固定资产投资年均增长38.1%，位居全市第一。

青岛以色列国际客厅
Qingdao China-Israel Cooperation Hub

欧盟项目创新中心（青岛）
EU Project Innovation Center (Qingdao)

Qingdao National High-tech Industrial Development Zone has focused on creating a "high-intensity magnetic field" that gathers high-end global innovation elements, at present, which has established extensive project cooperation or dispatched offices with the United States, the United Kingdom, Germany, France, Israel, Japan, South Korea and SCO countries.

Among them, "Qingdao China-Israel Cooperation Hub" is a key integrated international cooperation platform mainly built by Qingdao, covering five major functions: product technology exhibition, product technology trading, cultural and educational exchange, technological innovation incubation, and scientific and technological financial services.

The EU Project Innovation Center (Qingdao) is the only EU project innovation center in China supported by China and EU, which mainly carries out science and technology, trade and investment between China and Europe. The North China Center of European Enterprise Network is a landmark organization established by EU to provide technical innovation, achievement transformation, economic and trade support and other services for small and medium-sized enterprises.

The development speed of Qingdao National High-tech Industrial Development Zone is strong. According to the data, during the 10 years since the start of construction, the annual average growth of total industrial output value is 43.5%, the general annual average growth of public budget revenue is 63%, and the annual average growth of the investment in fixed assets is 38.1%, ranking first in the city.

环境优良的青岛高新区

QINGDAO NATIONAL HIGH-TECH INDUSTRIAL
DEVELOPMENT ZONE WITH EXCELLENT ENVIRONMENT

这里河海相连，生态静美，“枕河听海、九水一区”，水系园林景观荣膺联合国“亚洲都市景观奖”。

这里“尊商、亲商”“安商、富商”，为项目入住提供“保姆式服务”，建设了全市首个全业务综合性政务服务大厅，推行首席服务官、帮办代办、容缺预审查、并联审批等服务模式，真正实现了“一门、一窗、一网、一次”办理。企业入驻享受全领域、无差别“一窗受理”，审批服务“秒批”、电子卡包应用共享等贴心服务。

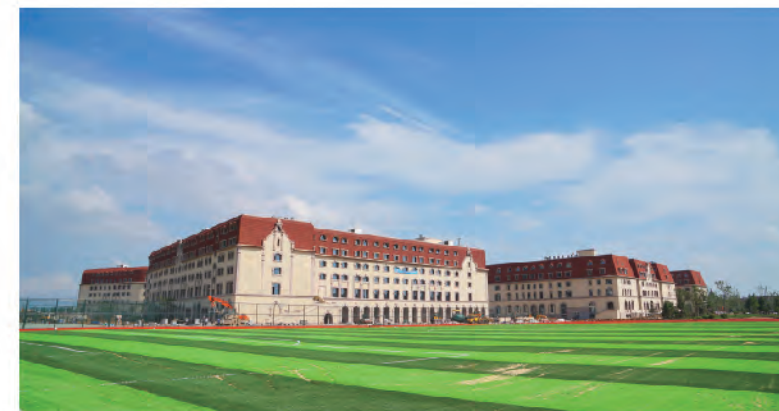

The river and sea are connected here, and the ecology is quiet and beautiful, where one can listen to the sea by resting near the river, with 9 waters converging into one".The water-system garden landscape has won the "Asian Townscape Award" of the United Nations.

Here, "respect business, promote business", "secure business, enrich business", and provide "nanny-type service" for project implementation, where the city's first full-service comprehensive public service hall was built, implementing the service modes of chief service officer, assisting and agency, pre-examination of capacity and shortage, parallel examination and approval, etc., and truly realizing the "one door, one window, one network, one-time" handling. Enterprises can enjoy the all-field, undifferentiated "one window acceptance", "second approval" of approval service, electronic card package application sharing and other intimate services.

生活舒适的青岛高新区

QINGDAO NATIONAL HIGH-TECH INDUSTRIAL
DEVELOPMENT ZONE WITH COMFORTABLE LIFE

这里的教育资源比肩国内最好的城市。引进北京十一学校为合作办学方，设立青岛中学（十三年一贯制），是国内首所混合制、非营利性独立学校。与北京第二实验小学合作办学的全日制公办青岛分校，是北京第二实验小学在山东设立的唯一分校。

The educational resources here are comparable to the best cities in China. Qingdao High School (13-year consistent system) is the first mixed-system, non-profit independent school in China. The full-time public Qingdao Branch, which cooperates with Beijing No.2 Experimental Primary School, is the only branch school established by Beijing No.2 Experimental Primary School in Shandong Province.

市级重大医疗项目青岛市市民健康中心，休闲项目伊甸园、澜湾艺术公园等也已落地。中英合作的“东方伊甸园”项目，是世界第二座、亚洲第一座“伊甸园”，将打造成一座集生态与休闲于一体的世界级主题公园。

Major municipal medical projects, such as Qingdao Civic Health Center, Garden of Eden and Lanwan Art Park, have also touched down. The "Oriental Eden" project, the second in the world and the first in Asia, will be built into a world-class theme park integrating ecology and leisure.

Part3

青岛高新区“3+1”主导产业

"3 + 1" Leading Industry in Qingdao National High-tech Industrial Development Zone

青岛世茂52+
Shimao 52 +

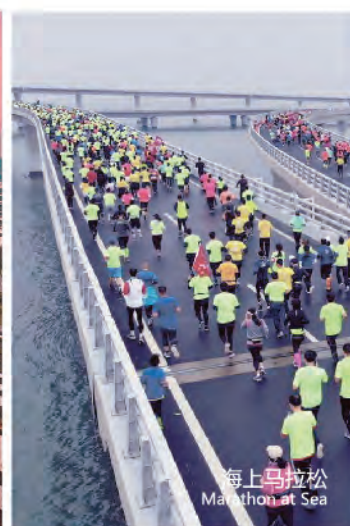

时尚社区
Fashion Community

充满“烟火味儿”的商贸大鳄扎堆入驻。奥特莱斯、世茂52+、利群综合体、鲁商广场.....集零售、餐饮、少儿教育、时尚休闲娱乐为一体的购物中心越来越多。这里产城一体发展，优质住宅鳞次栉比，投资和居住两相宜。

Business tycoons full of the smell of ordinary life piled in. Outlets, Shimao 52 +, Liqun Complex, Lushang Plaza... with more and more shopping centers integrating retail, catering, children's education, fashion, leisure and entertainment. Here, the industry and city develops as a whole, high-quality residential buildings are placed closely side by side, which is suitable both for investment and residence.

市民健身中心
Civic Fitness Center

海上马拉松
Marathon at Sea

青岛市民健身中心是山东省规模最大的体育场和体育馆，体育场建筑面积14万平方米，可容纳6万人；体育馆建筑面积7.5万平方米，可容纳1.5万人。这里充满人文气息，文化体育赛事和休闲活动丰富多彩。

Qingdao Civic Fitness Center is the largest stadium and gymnasium in Shandong Province, with a construction area of 140000 square meters and a capacity of 60000 people; the construction area of the gymnasium is 75000 square meters, which can accommodate 15000 people. It is full of cultural atmosphere, with rich and colorful cultural sports events and leisure activities.

新一代信息技术

NEW-GENERATION INFORMATION TECHNOLOGY

腾讯
Tencent

华为青岛基地
Huawei Qingdao Center

百度智创基地
Baidu Wisdom Innovation Base

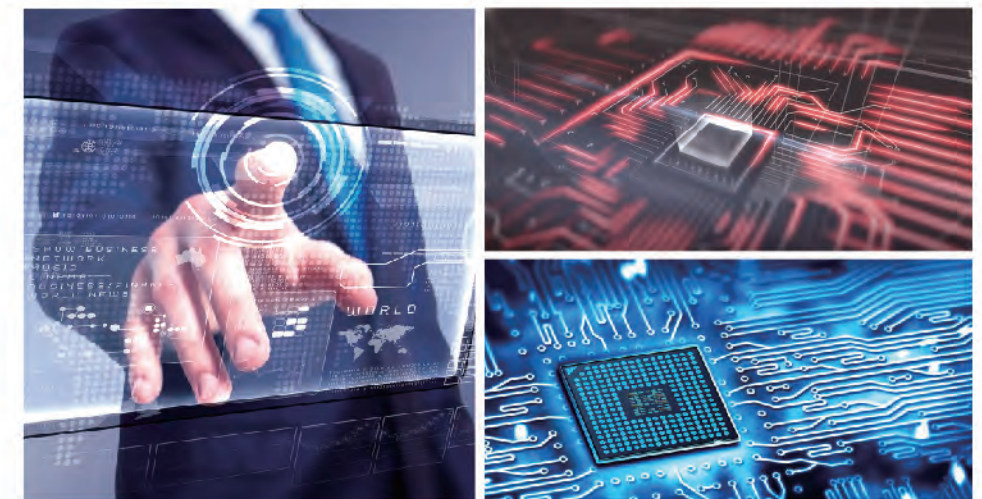

这里是国家软件和信息服务业示范基地、青岛市软件信息产业发展的主题区域和核心区。

重点发展信息安全、半导体、大数据、5G等产业方向。已建成全国首个以发展保密技术为主的保密产业园、科创慧谷、计世高科园等专业园区，吸引了华为、中兴、腾讯、百度、甲骨文、微软、奇安信、启明星辰等行业龙头企业纷纷入驻，拥有涉软企业近千家，新一代信息技术产业生态初步集群。

Here is the national software and information service industry demonstration base, software information industry development theme area and core area in Qingdao.

Here focuses on the development of information security, semiconductor, big data, 5G and other industry directions. The first National Security Industry Park, Intelligence Valley of Science Innovation Center, Jishi Hi-Tech Park and other professional parks have been built here, attracting leading enterprises of Huawei, ZTE, Tencent, Baidu, Oracle, Microsoft, QI-ANXIN, Venustech and other leading enterprises to settle in, which has nearly 1000 software-related enterprises and a preliminary cluster of new-generation information technology industry ecology.

医疗医药 MEDICAL

这里是国家火炬海洋生物医药特色产业基地、青岛生物医药先进制造业集聚区、蓝色经济区海洋特色产业园。位列科技部中国生物技术发展中心国家生物医药产业园区综合竞争力前30强、“中国生物医药产业园区环境竞争力”第8位。

Here is the national torch marine biomedical industry base, Qingdao biomedical advanced manufacturing industry cluster area, and marine characteristic industrial park of blue economic zone, which ranks among the top 30 comprehensive competitiveness of national biomedical industry parks of China Biotechnology Development Center of the Ministry of science and technology, and the 8th place of environmental competitiveness of China's biomedical industrial parks.

聚焦创新药物、高端医疗器械、康复医疗等细分领域，建设有集国际总部领航区、研发孵化加速区和产业园区于一体的生物医药科技园，建成国内最大的生物医药专业孵化中心、干细胞生物诊疗国家地方联合工程研究中心、青岛市生物医学工程与技术公共研发服务平台，牵头成立了青岛市生物医药产业商会、青岛市海洋生物医药产业创新联盟。

中国首家康复大学、山东中医药大学青岛科学院、山东大学国际产业园、青岛大学创新药物研究院等相继落户。世界500强企业利洁时、国药集团，医药工业百强企业齐鲁药业、迪沙药业、阜丰生物，瞪羚企业汉唐生物、瑞思德生物，上市药企瑞康药业、华仁药业、蔚蓝生物等汇聚于此。目前园区内生物医药类市场主体已达到332家，总投资140亿元。

Focusing on innovative drugs, high-end medical devices, rehabilitation medicine and other subdivisions, a biomedical science and technology park integrating the international headquarters pilot area, R & D incubation acceleration zone and Industrial Park has been built, the largest biomedical professional incubation center in China, the national and local joint Engineering Research Center for stem cell biological diagnosis and treatment, and Qingdao public R & D service for biomedical engineering and technology platform have been completed, Qingdao Biomedical Industry Chamber of Commerce and Qingdao Marine Biomedical Industry Innovation Alliance have been established.

The first Rehabilitation University in China, Qingdao Academy of Sciences of Shandong Traditional Chinese Medicine University, International Industrial Park of Shandong University, and School of Innovative Medicine Research of Qingdao University have successively settled down. The world's top 500 enterprises such as Reckitt Benckiser, Sinopharm Group, top 100 pharmaceutical enterprises such as Qidu Pharmaceutical, Disha Pharmaceutical, Fufeng Biology, gazelle enterprises such as Hantang Bio, Reside Bio, listed pharmaceutical enterprises such as Rycom Pharmaceutical, Huaren Pharmaceutical, Weilan Bio, etc. have gathered here. At present, there are 332 biomedical market entities in the park, with a total investment of 14 billion Yuan.

人工智能+高端装备制造

ARTIFICIAL INTELLIGENCE + HIGH END
EQUIPMENT MANUFACTURING

这里是国家机器人高新技术产业化基地、国家火炬石墨烯及先进碳材料特色产业基地。

围绕机器人、智能制造装备、轨道交通装备、卫星应用等领域，已累计引进100多个高端装备制造产业链项目，总投资130多亿元。其中机器人企业占全市80%以上。世界机器人“四大家族”ABB、库卡、安川、发那科及中国机器人龙头企业新松全部落户。博世、埃地沃兹、毕勤、海克斯康等一批外资优质项目集聚发展，初步形成了以国际机器人产业园为主要基地的智能制造产业集群。

Here is the national robot high and new technology industrialization base, national torch graphene and advanced carbon material characteristic industrial base.

Centering on robotics, intelligent manufacturing equipment, rail transit equipment, satellite applications and other fields, more than 100 high-end equipment manufacturing industry chain projects have been introduced, with a total investment of more than 13 billion Yuan. Robot enterprises account for more than 80% of the city. ABB, KUKA, Yaskawa, Fanuc and SIASUN, a leading robot enterprise in China, have all settled down here. Bosch, Edwards, Beecham, Hexagon and other foreign high-quality projects have gathered here for development, and an intelligent manufacturing industrial cluster with international robot industrial park as the main base has been initially formed.

现代服务业

MODERN SERVICE INDUSTRY

这里以实施国家级科技服务业区域试点为引导，着力引进与培育包括总部经济、创意产业、科技服务、商贸服务、检验检测、会展服务等在内的现代服务业，全力为三大主导产业提供支撑。

以打造国内一流的现代服务业集聚区为目标，已引进首创奥特莱斯、利群综合体、华测集团北方区域检测认证基地、伊甸园等大项目落户建设。

Guided by the implementation of regional pilot projects of national science and technology service industry, here focuses on the introduction and cultivation of modern service industries including headquarters economy, creative industries, scientific and technological services, business services, inspection and testing, exhibition services, etc., so as to provide support for the three leading industries.

With the goal of building a first-class modern service industry cluster area in China, the first large projects such as Shouchuang Outlets, Liqun Complex, North Regional Testing and Certification Base of China Testing Group, Garden of Eden, etc. have been established.

青岛是中国会展名城，辐射东北亚的国际会展中心城市。红岛国际会议展览中心是环渤海地区最有竞争力的第五代会展经济综合体，也是山东省最大的会展综合体，共设有14个展厅，室内可展览面积15万平方米，可满足各类国际展览、会议需求。

Qingdao is a famous exhibition city in China and an international convention and exhibition center city in Northeast Asia. Hongdao International Convention and Exhibition Center is the most competitive fifth-generation convention and exhibition economic complex in Circum-Bohai-Sea area and the largest convention and exhibition complex in Shandong Province, which has 14 exhibition halls and 150000 square meters indoor exhibition area, and can meet the needs of various international exhibitions and conferences.
